# Danielle Nicole Scott

December 11, 1982 – March 30, 2018

Danielle Nicole Scott was born December 11, 1982 in DuPage County Illinois. At the age of 35, this loving daughter, sister, niece, aunt, cousin and friend died Friday, March 30, 2018. Moving to Southern California with her family at the age of 4, Danielle immediately became a California Valley girl. She graduated from Little Rock High School in Palmdale in 2001 and 4 years later completed her education from Fresno Cal State with a degree in Industrial Engineering. Danielle earned her Master's in Business Administration from Laverne University in 2014. Upon

graduation, she worked at Frito Lay as an Engineer as well as Pharmavite Pharmaceuticals in numerous roles. Danielle was a very spiritual person and a devoted member at Agape International. She lived her life to the fullest and was fearless! The only thing that really frightened her was when she came in contact with spiders. She loved her family and was always the one working to organize family reunions and gatherings. Danielle was a kind and giving person who would always put the needs of others before her own. She valued her friendships and connections and never met a stranger. Danielle enjoyed the outdoors and loved hiking at Runyon Canyon, the beach and her many bathing suits. She would hang out with her friends on the weekend and did not have a problem dancing the night away even though she had two left feet. She had no shame, she always lived in the moment. Danielle was an avid traveler having visited the Caribbean, Mexico, Thailand, Dubai, Brazil and Panama. She was in the midst of making plans to vacation in Spain and Paris in July. Danielle leaves to cherish her memory, her mother Joan Scott and her brothers Russell Hanes and Courtney Hanes as well as a host of nieces and nephews, cousins aunts and uncles.
