

*In Loving Memory Of*

# **Lester Keith Ross**

*died twenty-five years  
ago today March 3, 1991  
on United Flight 585*

Your life was a blessing your  
memory a treasure...

You are loved beyond words  
and missed beyond measure.

Though life goes on without  
you, it will never be the same.

**Remembered by your family,  
many friends and your wife,  
Joan Barnes Ross.**
